## AUTHORS

- Aalders JG:** Endometrial cancer: state of the art. 107, Jun, s
- Adams K:** Treating preterm labor with diazoxide. 161, Jan, oa
- Adashi E:** Endocrinology—applying what we've learned. 143, May, s
- Alvarez M:** Turner's syndrome recurrence risk. Author's reply. 21, Mar, et
- Amstey MS:** Pap tests for teenage patients. 13, Apr, et
- Apuzzo J:** Surgical management of abdominal pregnancy. 144, Jan, oa
- Atrash HK:** Pregnancy mortality surveillance: a new initiative. 23, Jun, oa
- Averette HE:** Gyn oncology: advances in detection and staging. 111, Jan, ed
- Re-defining microinvasive cervical carcinoma. 187, May, s**
- Azziz R:** Determining the cause of hirsutism and anovulation. 126, May, oa
- Bejo K:** LDR: new factor in the ob equation. 179, 182, Feb, c
- Ballad R:** Malpractice update. 213, Jan, mu
- Malpractice update. 220, Feb, mu**
- Malpractice update. 213, Mar, mu**
- Malpractice update. 193, Apr, mu**
- Malpractice update. 214, May, mu**
- Malpractice update. 127, Jun, mu**
- Barrasso R:** Examining male partners of women who have abnormal smears. 157, Apr, s
- Barter JF:** Update on applications for surgical staplers. 83, Jan, oa
- Beckerman KP:** What is the lupus anticoagulant? 67, Jun, oa
- Beilinson J:** New ovarian transposition method. 51, Feb, oa
- Bell K:** LDR: new factor in the ob equation. 176, 183, Feb, c
- Berkowitz RS:** Partial molar pregnancy: a separate entity. 99, Jun, oa
- Bernstein G:** Fresh look at barrier contraceptives. 143, Mar, c
- Bernstein MR:** Partial molar pregnancy: a separate entity. 99, Jun, oa
- Besinger RE:** New clues to fetal behavior and well-being. 108, May, oa
- Boronow RC:** Endometrial cancer: state of the art. 107, Jun, s
- Brace RA:** How ANF works during gestation. 69, May, oa
- Brockwell CP:** Limits on AIDS screening. 15, Mar, et
- Burnhill MS:** Treating persistent and recurrent vulvovaginitis. 71, Mar, oa
- Byyny RL:** Establishing guidelines for preventive medicine. 43, W50, oa
- Campbell WA:** Are  $\beta$ -blockers safe for hypertension during pregnancy? 178, Jan, oa
- Cavanagh D:** Are radiation-induced cancers real? 45, Apr, oa
- Cefalo RC:** Saving the patient who has amniotic fluid embolism. 162, Mar, oa
- Cheung CY:** How ANF works during gestation. 69, May, oa
- Chez RA:** Fetal acoustic stimulation. 123, Jan, cd
- Indomethacin for preterm labor. 69, Apr, cd**
- Clark SL:** Finding alternatives to cesarean section. 191, Jan, s
- Invasive monitoring. Moderator's reply. 16, Mar, et**
- Connell E:** Fresh look at barrier contraceptives. 149, Mar, c
- Cook EJ:** Quality assurance in MSAFP screening. 15, Feb, et
- Coppleson M:** Redefining microinvasive cervical carcinoma. 187, May, s
- Ellerbrock TV:** Pregnancy mortality surveillance: a new initiative. 23, Jun, oa
- Ferency A:** Examining male partners of women who have abnormal smears. 157, Apr, s
- Typing HPV DNA gains clues for therapy. 140, Apr, s**
- Finnegan L:** Protecting mother and fetus from narcotic abuse. 178, Mar, oa
- FitzSimmons J:** Protecting mother and fetus from narcotic abuse. 178, Mar, oa
- Frederiksen MC:** What place for ergot alkaloids in ob today? 37, Jun, oa
- Freeman B:** Counseling and support for infertile couples. 24, Feb, et
- Freeman MVR:** Turner's syndrome recurrence risk. 21, Mar, et
- Freeman R:** Acute fatty liver in pregnancy—it's manageable. 55, Apr, oa
- LDR: new factor in the ob equation. 176, Feb, c**
- Obstetric care in the 1990s: dream or nightmare? 106, Jan, ed**

## EDITORIAL INDEX

# Coming to you later this month

## SURGERY 1988

The sixth annual update on the latest developments in operative technique and equipment is now being prepared. Special issue editor Luis Sanz, MD, has tapped a distinguished group of authors who will summarize their experience for you.

Among the topics:

- Tubo-ovarian abscess
- Anal incontinence
- Birth trauma
- Ectopic pregnancy
- Breast lumps
- Pregnant uterus
- Laser laparoscopy
- Anatomic basis for incisions
- Postop bladder drainage

**Look for this  
special issue of  
CONTEMPORARY  
OB/GYN  
June 15**

Options in estrogen replacement therapy. 196, Mar, s

### DOWN'S SYNDROME

Identifying Down's babies with sonography. 170, Jun, nl  
Quality assurance in MSAFP screening. 15, Feb, et  
Risks of chromosomal abnormalities. 21, Jan, gp

### DOXORUBICIN

Endometrial cancer: state of the art. 122, Jun, s

### DOXYCYCLINE

Antibiotic prophylaxis before surgery. 187, Feb, s  
Preventing damage from nonviral STDs. 140, 145, Feb, oa

### DRUG EFFECTS

Are  $\beta$ -blockers safe for hypertension during pregnancy? 178, Jan, oa  
California court restricts drug makers' liability. 127, Jun, mu  
Malpractice leads to 8 years of wrong treatments. 194, Apr, mu  
Outcomes encouraging in mothers with lupus. 110, Mar, oa  
Practical guide to fetal echocardiography. 55, Jan, oa  
Standard of care: testimony from PDR and pharmacologist apply. 220, Mar, mu  
What is the lupus anticoagulant? 77, 82, Jun, oa  
What place for ergot alkaloids in ob today? 38, 43, Jun, oa  
Woman over 50: a new challenge for the gynecologist. 23, W50, oa

### DRUG RESISTANCE

Treating persistent and recurrent vulvovaginitis. 78, Mar, oa

### DRUG THERAPY

Endometrial cancer: state of the art. 122, Jun, s  
Gyn oncology: advances in detection and staging. 111, Jan, ed  
Postpartum emergency—necrotizing fasciitis. 110, 111, Feb, oa  
Single-dose therapy for bacteriuria. 16, Mar, et  
Special problems of breast cancer after menopause. 134, W50, oa  
Treating persistent and recurrent vulvovaginitis. 78, Mar, oa

### DYSTOCIA

Counseling before and during pregnancy. 50, Jan, oa

### ECHOCARDIOGRAPHY

Practical guide to fetal echocardiography. 55, Jan, oa  
PIH: still common and still dangerous. 61, Feb, oa  
Practical guide to fetal echocardiography. 55, Jan, oa  
Sinusoidal pattern from anemia. 42, May, elfm

### EDROPHONIUM

Caring for the myasthenic ob patient. 157, 164, 175, Feb, oa

### EMBOLISM

Options in estrogen replacement therapy. 203, Mar, s

### EMBOLISM, AMNIOTIC FLUID

Saving the patient who has amniotic fluid embolism. 162, Mar, oa

### EMBRYO

Early pregnancy scanning with the endovaginal probe. 57, Jun, oa

### EMBRYO TRANSFER

Success rates for IVF and GIFT. 101, May, ppc

### EMERGENCIES

Postpartum emergency—necrotizing fasciitis. 109, Feb, oa

### ENDOCARDITIS

Antibiotic prophylaxis before surgery. 205, Feb, s

### ENDOCRINOLOGY

Endocrinology—applying what we've learned. 143, May, s  
Genetics: the future is almost here. 117, Jan, ed
